DONOR: READ THIS SECTION

THANK YOU for your donation of clothing and/or other goods as listed above.

1. THIS FORM SHOULD BE COMPLETED AND MAILED TO AADD, at the address below. AADD will verify your contribution, sign the form to confirm the receipt and acceptance of your donation, and return it to you. After it is returned to you, KEEP THIS FORM! It provides documentation of your donation.
2. This confirms that your donation is TAX-DEDUCTIBLE to the extent provided by law. Contributions to the AADD, Inc. (All About Developmental Disabilities) ("The Charity") are fully deductible as defined in Section 501(c)(3) of the IRS code. The applicable EIN is 58-0641496. AADD is not a private foundation. Its full mailing address is: All About Developmental Disabilities 1440 Dutch Valley Place - Suite 200 Atlanta, GA 30324-5371.
3. This is to confirm that AADD has accepted this donation(s) with the understanding that the donor is the lawful owner of the items donated, that donated items are free of all liens and encumbrances, and that said donation in no way violates any law, statute or regulation.
4. This is to further confirm that the Charity has not provided the donor with any benefit, product, privilege or service in exchange for this donation.
5. Per IRS regulation, VALUATION OF DONATED ITEMS IS THE RESPONSIBILITY OF THE DONOR. Donors are reminded that, per IRS rules, the donation is tax-deductible at the current fair market value of the donated items in their present condition, and that this should be based on what the items would sell for in a thrift store or consignment shop. The Charity, in accepting or confirming acceptance of the donation, can not and does not affirm or attest to any valuation.
6. Reminder: If the total of all your in-kind donations for the year is $500 or above, you should secure and include an IRS Form 8283 with your tax return. If your tax advisor advises you that you need to secure a signature on that form from the Charity (which may require a copy of the independent appraisal), contact AADD at the above address. IRS rules now require an independent appraisal for in-kind donations of $5,000 or more. 2/10
