

Application for Scholarship

Scholarships are available for individuals experiencing financial hardships. AADD has limited private funds to help subsidize services to families in need. All families will be responsible for a percentage of the actual cost of services. A committee will review the application to determine eligibility, and the percentage of cost that AADD will pay. The information provided in addition to the completed Consultation Form will assist the committee in reaching a determination.

Criteria: Family must reside in DeKalb, Gwinnett, Rockdale or Fulton Counties. Restricted to diagnosis of developmental disability. Must not have waiver or other financial services from government programs.

Service Fees (see fee list for a description of services)

Service	Hourly Rate
